Lesson 1: Gender Role Expectations in Dance

Respond to the following questions after viewing the digital presentation for Lesson 1:

1. What, if any, personal connections could you make with the experiences of gender role expectations shared by the dancers in the video presentation?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

2. Based on the experiences shared by the dancers, what do you think are the greatest challenges faced by LGBTQIA+ dancers when it comes to gender role expectations in dance?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

3. What differences do you see in the experiences with gender roles faced by the different dancers featured in this video? What can account for these differences?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

4. What did you find to be the most compelling of the dancers' comments about their experiences? Why?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

5. What was the most significant thing that you learned from this presentation about LGBTQIA+ dancers concerning their experiences with gender roles in dance? Why was this significant to you?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
