OUT FROM THE WINGS - Lesson 3: Relationships in Dance

Respond to the following questions after viewing the video presentation:

1. What, if any, personal connections could you make with the experiences the dancers shared regarding both their positive and negative experiences relating to others in the field of dance?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

2. Based on the experiences shared by the dancers, what do you think are the greatest challenges faced by LGBTQIA+ dancers when it comes to establishing positive, respectful relationships in dance?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

3. What differences do you see in both the challenging and successful situations faced by the different dancers featured in this video? What can account for these differences?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

4. What did you find to be the most compelling of the dancers' comments about their experiences? Why?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

5. What was the most significant thing that you learned from this presentation about LGBTQIA+ dancers concerning their experiences with relationships in dance?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
