OUT FROM THE WINGS - Lesson 4: A Vision For The Future
Respond to the following questions prior to viewing the video presentation for lesson 4:

1. Based on what you have learned in the first three lessons, what do you think are the greatest challenges faced by LGBTQIA+ dancers?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

2. What do you see as the areas of dance most in need of change in order to make it more open and inclusive to LGBTQIA+ dancers?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

3. What changes would you like to see in dance to make it more inclusive of your needs or those of others you know?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

4. How can you be a part of creating positive changes in the world of dance?
